Saddleback Educational Publishing has been the leading source of solutions for struggling learners in middle school and high school for over 29 years. Saddleback publishes Award-Winning Urban Fiction, well-known Illustrated Classics, Adapted Classics, supplemental alternative curriculum as well as the largest assortment of hi-lo (high-interest, low-readability) books. Saddleback believes that by engaging the reader with age-appropriate covers and content, even the most at-risk and struggling learner can achieve success.

I thought with the pictures it would be easy reading for a ten-year-old, but it's a little more difficult--which is okay. This is one of six history "comic" books I bought for use over the summer.
