EXCELLENT! Criminal Law by Bar Charts is written in concise form to give me the information I need in seconds. Particularly, first-year students, by following the outline the process of writing a memorandum, briefing a case, and/or setting up smartly written letter to an attorney if you are a paralegal and/or attorney want to convey the opinion. You will find that Actus Reus and Mens Rea are nicely broken down in a manner where I could use it quickly. The greater the planning, the better a written brief, memorandum and/or letter give you a wonderful boost. Then combine the aforementioned with Voluntary Act, Specific Intent, General Intent and/or Strict Liability and I am able to put together again a smartly written paper that has gotten me A's.
