Wow I never heard of a lot of these drinks. Very good book

good reference guide

This is a Christmas gift for my husband. I'm sure he'll like it. I looked through the book and was happy with it. My husband is usually a beer drinker, but all of a sudden started looking into mixed drinks. I really think he will like this book.

Has a lot of recipes that can be tired with interesting information.

A lot of choices for drinks and good seasonal suggestions.

My granddaughter loved it and may decide to become a bartender instead of going to college!

Strictly short recipes, black on white. No photos, no colors, not much inspiration for an amateur like me but was a perfect gift for a connoisseur like the hubby.

It has a lot.
