Customer Reviews

RACING CARS; HOW FAST; MODEL J; COACH BUILDERS;

Very informative and detailed

The late Josh Malks was a longtime member of the Auburn Cord Duesenberg Club and an acknowledged expert on these cars. He also wrote definitive works on the Cord models 810 and 812. His Duesenberg Buyers Guide is a key volume in any Duesenberg library. It cuts through the puffery and misinformation on the marque and concentrates on the hardware. Highly recommended.

Thought it would be more useful in how to recognize authenticity in a Duesenberg. As a "buyers guide" it would have been more useful to just say bring a pile of cash and good luck.
