Joseph Fullman has lived in London for just over 41 years, or to put it another way, his entire life. It is, as far as he is concerned, the best city in the world, and having worked as a travel writer for more than fifteen years, he's had the opportunity to compare it some very distinguished rivals. Joe has written several travel guides to London, as well as Berlin, Venice, Las Vegas, Costa Rica and Belize. He has also contributed to guides to Paris, Italy, Turkey, Central America and the Caribbean. Joseph resides in London, England.

We absolutely love the Frommer's guides. If you are only going through town a few days and like to explore this is a perfect guide. It gives you plenty of the local highlights and a good outline of the neighborhoods. Lots of pictures and maps. The best part is it is small enough to fit in your back pocket or bag.

Helpful guide, some good tidbits of advice. I didn't do the "recommended" tours as laid out here, but it was good to get an idea of what things might cost and information on how to get to places.

The book is in good condition. Thanks.

Great book for a short trip to London. This gave me a pullout map of the tube and train stations that was perfect and what I was after. Worked great for my trip.

Great pocket-sized guide. All the info you need, organized for easy reference! Have used a lot of different travel guides over the years and am very happy with this Frommer's series!

I love the Former' day by day books.

Exactly what I wanted. A good map included.

Great Guide!
