# HESI Comprehensive Review For The NCLEX-PN® Examination, 5e

## Synopsis

Prepare for success on your HESI exit exam and the NCLEX-PN®! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN® Examination, 5th Edition breaks down chapters by clinical areas and topics emphasized on the exam. Rationales are provided for incorrect answers to help you address any areas of weakness. The companion Evolve website offers 550 practice questions, giving you valuable practice in the same electronic testing format you will experience on your nursing school exit exam and on the NCLEX-PN exam. HESI Hint boxes highlight important clinical information and concepts commonly tested on the NCLEX-PN® exam. Evolve companion website with 550 NCLEX practice questions, including alternate item formats, gives you a testing experience similar to the exit and NCLEX exams. Critical thinking study questions reinforce key concepts and critical content, and include answer guidelines. Chapters organized by clinical area for easy reference. Pharmacology tables summarize the need-to-know drug therapy content emphasized on the NCLEX-PN exam. Consistent chapter organization and format facilitate learning. NEW! Updated content reflects the latest NCLEX-PN® test plan. UPDATED! Psychiatric Nursing chapter includes the latest DSM-5 material. UPDATED! Revised HESI Hint boxes align with content updates throughout the text. NEW! Updated review questions correspond with new content.

## Customer Reviews

If you are going to be sitting for this exam, this is the perfect book. I also find it to be a great resource for NCLEX studying.

awesome book..straight to the point. Thanks for the prompt delivery...wonderful seller.

New; and has the code for evolve! Hope this helps with my exams

Thank you! I really appreciate

This book was a great book but if you are looking for a study book that has a lot of practice questions this is not the book for you. I did like how it broke up each system and highlighted all the key points. As a broke nursing student I had to return this one because it was too similar to the saunders book that we were given in our school book bundle. I went with the lippincott instead it has more practice questions and that was what I was looking for.
