Learn ITALION With Pronunciation: Only For The Beginners And Travelers..

Synopsis

In this book I provide you some common words of Italian language which helpful for enhancing your pronunciation. Please Donâ™t consider these book for Learning whole language, it is completely a book for the beginners and travelers who want to pronounce the common words of Italian language. Pronunciation of any language is not be same with all peoples, it is different from person to person so from my opinion you should first try the sample then buy these book.No matter for me because I want to help someone who is trying to improve his Pronunciation Italian language, it may be helpful for you.

Customer Reviews

I really enjoyed this book. Basic phrase that would help any traveler going to Italy. I would highly recommend this book. It covers a lot of different scenarios. It is enough to get by and not too confusing to memorize. It won't make you an intellect, but I can assure you that you will gain many

Italian friends because they will be flattered you want to learn their language
