Jonathan Cahn leads Hope of the World ministries and the Jerusalem Center/Beth Israel, a worship center made up of Jew and Gentile, people of all backgrounds, located in Wayne, New Jersey. His teachings are seen on television and radio throughout the nation and are known for their prophetic significance and their revealing of deep mysteries of God's Word.

Reading the background to The Harbinger increases one's awareness of its importance. I understand Mr. Cahn rejects the idea that he is a prophet, but he is surely a gifted student of Prophecy. It is a "must read" book and easy to follow.

This companion adds useful information & Bible verse references to answer any question you may have from, The Harbinger by Jonathan Cahn.

A very good study book. You can use it by yourself or in study groups. This book gives you additional insight into the, "Harbinger". I would recommend this book to anyone - although I do think it would be of more help to you if you would buy and read the, "Harbinger" book first.

I got this for my mom, and I know she loved it. I think he is one of those authors that you either agree with or you don't. Controversial. Now that the Shemita is over, I'm not sure what people think, but it still makes for good reading and something to think about.

The book was fantastic so I wanted to order the Study Guide to go along with the book to learn more.

This is a subject that I'm interested in and found it to be engrossing.
