Witches' Key To Terror

Synopsis

A devastating fire, a rash of farm accidents, a poisoned apple and a woman's mysterious disappearance-what's happening at the Bindart Orchard? People keep secrets but ravens and rabbits bring messages-if you can decipher them. When Cricket Bindart asks Bethany for assistance, the Witches' Night Out coven is drawn into a dark harvest of danger. Do you dare to join them? In this excerpt from *Witches' Key to Terror*, the harvest moon has risen, and magick is afoot.

. . . Sixteen-year-old Cricket Bindart knew she was in deep trouble. The dead bunny dangling from the mailbox was a good indication, and the note attached to the limp animal only served as conclusive evidence. "You're fast, but I'm faster. . . ." A noise in the orchard made her heart kick into double-time. A tendril of autumn-spiced wind fluffed her long copper hair, splaying the ends across the lifeless form of the bunny. The skin on the back of Cricket's neck itched and she imagined that somewhere in those darkened woods someone was watching her. In defiance, she pulled the rabbit free of the mailbox and threw it into the woods. There was a crash in the bushes. Cricket's eyes widened. From the exact place she had thrown the dead rabbit, a live one appeared, bursting from the thicket and tearing across the cornfield, full force toward the face of the moon.

Gr 8 Up-Bethany Salem is the leader of "Witches' Night Out," a small group of teen Wiccans. In the third book in this series, she and her coven solve the mystery at Bindart's Orchard: a missing

migrant worker, dead rabbits, and a poisoned apple lead to no good. RavenWolf has created a standard mystery series with magick as the hook. Bethany and her friends cast spells, study astrology, and practice their healing and psychic abilities as they investigate the mysterious goings-on in their small New England community. They are like most teens in that they have crushes, love clothes, have jobs, and go to public high school. Though the writing is not top quality, the story and characters are interesting enough. Fans of the TV show Charmed will appreciate the book, as will the many teens who are interested or involved in the Wiccan religion. Angela J. Silver RavenWolf (Pennsylvania) is a nationally recognized leader and elder of Wicca, and her writing has been instrumental in guiding the future of one of the fastest-growing faiths in America today. The author of seventeen books, she has been interviewed by The New York Times, Newsweek Magazine, and the Wall Street Journal, and her work has been featured in numerous publications, including Bust Magazine, the Baltimore Sun, the St. Petersburg Times, the National Review, Publishers Weekly, Body & Soul Magazine, and Teen Lit Magazine. Her many titles include the bestselling Solitary Witch, Teen Witch, To Ride A Silver Broomstick, To Stir A Magick Cauldron, To Light A Sacred Flame, American Folk Magick, Angels: Companions in Magick, Silver's™ Spells for Prosperity, Silver's Spells for Protection, Silver's Spells for Love, Halloween, HedgeWitch, and the Witches'™ Night Out teen fiction series.

Meant for teens but this old lady read it and enjoyed it. And the day to day pagan aspects are blended in the story well and very realistic. But then Silver is a bit of an expert on her path of paganism. And she always writes with integrity, clarity, simplicity and honesty.

My fiance has dyslexia and she chose this book to help her read more, as long as she doesn't give up on reading is the main thing, unfortunately she found that this was book 3 of 3, no where I saw did it say this was the 3rd book in the series, but she enjoyed what she read so I ordered the first book.

When Bethany Salem and her two beast friends, Nam and Tillie, start to work on a farm they have no idea the kind of mystery they'll find. The people on the farm are odd. An overprotective father, a pair of home-schooled twins, an ex-marine that walks around with a shot-gun, a girl around their age

that will do anything to make them miserable because their witches... But these people are nothing compared to the dangerous things that start to happen. A poisoned apple, a string of accidents, magical charms meant to bring negative energy and much more. Even after the WNO crew has been fired they find themselves drawn to the farm and the mystery underneath. But are they getting involved in something too deadly? I haven't read a Witches Night Out book in a while but I was happy to read this one. Once again Bethany, Nam, Tillie, and Sidney get themselves involved with a mystery that is both intriguing and dangerous. The only complaint I have is the book was rather predictable in some moments, but not in others. If you're a fan of such teen series as the Daughters of the Moon, or the Circle of Three series, I recommend this series to you.

I found this book quite entertaining. Readable, quick-moving, and fun. This book toned down the gratuitous death of the prior two -- enough to make it a murder mystery, not enough to kill people unnecessarily (as in NIGHT OF FEAR, near the end). It was also more believable than the ending of #1 and had a far better resolution to the actions and fates of the minor characters who WEREN'T the murderer. I look forward to reading the upcoming fourth book in the series. As I've said before, this is a thriller series first, and a portrayal of life as a Wiccan teenager second. If you want realism, check out Isobel Bird's CIRCLE OF THREE. But as a murder-mystery, this is a fun one.

I liked the books because it portrays Wicca as a religion. Other fantasy books do that too, but they deal with more magical things like witch fire, etc. Witches Night Out series do have some supernatural tendencies. But Silver Ravenwolf is being very cool about it. If you like this but want to read a book series with magical powers check out Cate Tiernan's Sweep. I hope Silver Ravenwolf writes another one because I am caught up in the lives of the characters.

A lot of people don't like Mama Silver in any way. I do. I also appreciate these books for teens. Bethany, Tillie, Nam, and Sidney get caught up in the hauntings of an Orchard outside of town. Little do they know there is a practicing murderer stalking them and threatening their life.
