Oak Island Family: The Restall Hunt For Buried Treasure

Synopsis

For 200 years people have sought the treasure buried on Oak Island on Canada's East Coast. Bob Restall got his chance, but it ended in tragedy. A fabulous treasure lies buried deep within an island on Canada's East Coast. Or so they say. For more than 200 years, treasure-hunters have come to Oak Island, spent fortunes, worked long and hard, and left empty-handed. When Bob Restall and his family got their chance to search for treasure on Oak Island, they believed they soon would succeed where others had failed. But the island resisted. For nearly six years the Restalls lived and laboured on Oak Island, spurred on by small successes and tantalizing clues. And then one August day, the Restall hunt for buried treasure came to a sudden and tragic end. Oak Island Family, written by Bob and Mildred Restall's daughter, gives a clear account of Oak Island's strange history and the Restall family's attempt to change it. Personal notes and more than 50 never-before-published photographs and sketches help make Oak Island Family an engrossing read. Anyone who loves mystery, adventure, and a good human interest story will enjoy this book.

Lee Lamb was born in Somerset, England, and came to Canada when she was two years old. She has been a secretary, a project coordinator, a hospital social worker, and a high school teacher. Her previous book was Oak Island Obsession. She lives in Burlington, Ontario.

I never got the book I was looking forward to it I would like a refund back on it

This is geared for elementary school students, is written in that tone, and doesn't have much of the history of people who came before the Restalls (as it shouldn't). With that said, it is a fascinating first-hand account of a consuming passion. Everyone sacrificed, some gave more, but all are solid as the Oaks that were growing on this island. If this land is of interest to you, or even if you just want to understand the passion of treasure hunters, buy this book.

Great story, great book! The history surrounding this island is really interesting, but I have to admit, like the Titanic story this story can consume your life; like an addiction or obsession! I truly believe there is something or things buried deep within that island, but if disturbed or uncovered the "curse" will come into play! I highly recommend the book though!

THIS IS A GIFT FOR MY HUSBAN, HE WATCHES MYSTERY OF OAK ISLAND AND ENJOYS IT VERY MUCH

I got what I paid for

as expected

Enjoy this book very much. It pulls you in when you hear of lost treasures and adventure. Hope sometime in my lifetime, Oak Island exposes its secrets.
