Coming Out Summer Stud: First Time Gay MM Short Story

Synopsis

"I can't deny it any longer... I want him..." College cutie Jason came to Florida for one reason only, and it certainly wasn't to get caught naked by some arrogant tour guide like Lane. Jason needed one bonus project if he was to graduate and unfortunately for him, it required relocating from his posh New York digs to the swamps of central Florida to go on a gator-watching expedition. He knew the project wouldn't be easy. But what he hadn't anticipated was getting caught in Lane's dreamy gaze. Jason thinks he can deny his desires, but one rain storm later, and both studs are dressing down and drying off in the small river-side cabin. Sparks might just fly, and Jason may come out harder than he ever thought possible...
