Customer Reviews

A very good short story with a "who done it" mystery and a sweet beginning of a romance. I always enjoy Hannah's stories and I would recommend this story to others.

A very good book

Good suspensful story,as well as a love story. I think if you like a mystery you will have a hard time putting it down.

Though the story was rushed it was sweet and clean. An Amish whodunnit with a happily ever after ending. 5 stars for me

A really good story with almost no clues leading up to who committed the crime. There was not much interactions between any of the characters especially the love interest. I don't recommend this book.

This book was very well written with a little suspense. They had to find out who murdered Emily, the housekeeper.
