Children's Sermons To Go: 52 Take Home Lessons About God

Synopsis

Children's Sermons to Go is a collection of 52 sermons for children. Each sermon first gives a Bible verse and then illustrates that verse with a short anecdote. Each sermon lists easy-to-find household materials the preacher or worship leader can bring to give a visual demonstration that illustrates the truths presented in the sermon. The distinguishing feature of this sermon collection, however, is the small, inexpensive gifts or trinkets - mementos - that each child carries away from the children's sermon, thus giving the children a concrete object that helps them remember the message given in that day's children's sermon.

Good experience

I do the children's sermonette at my church. This book makes it easy to come up with the right

object lesson because it lists the chapters, has an index of scriptures, and a topical index. Each lesson suggests a take-home item for the children that will help them remember the lesson. There are also lessons for every holiday.

This will help me immensely doing the kids' object lessons Sunday mornings. We're starting out with the Super Bowl idea this Sunday. I borrowed a football helmet as the prop and can't wait to share with the kids.

I mistakenly created a wonderful children's sermon/moment that took me 2 weeks to get just right. When I was asked to create another a few weeks later I was distraught! How could I repeat something that I had poured so much effort into! I started searching the internet and found this book. It is exactly what I needed to incorporate ideas, scripture and fun into a children's moment during our worship. Now when I am asked to take another turn at a children's moment, I just ask when?

I enjoy using this book for bible lessons for children. It has object lessons and make it interesting for the kids to follow during Kids Church. Would recommend to childrens ministry leaders.

Received just what I needed.

These sermons are easy for a child to understand and grasp the concept. I would recommend this to anyone having to prepare children's worship time.

Easy and clear..... makes teaching fun!!! The children live the activities, exercises and the lessons. I would recommend it for any youth leader.
