Customer Reviews

The information is good, if a little superficial. There are plenty of color photographs and it is printed on good paper. It is written in simple language and large type. There is glossary at the end, of words such as: afterlife, ancestors, and yeast. There are five recipes that young people can make with common ingredients: Porridge (oatmeal), Parsley Butter, Broiled Salmon, Pork and Leek Stew, Baked Trout Stuffed with Onions and Mushrooms.
