God's Enduring Presence: Strength For The Spiritual Journey

Synopsis

Here bestselling author Joyce Rupp offers us the spiritual assurance that God is always with us, a loving, enduring presence. On encountering God in Scripture she writes: One word or phrase from Scripture can leap out at me and draw me into spending time with the whisper of truth calling to me. In this brief moment of recognition I see that this stirring comes not from my human consciousness but from a deeper place where Wisdom dwells within me. These beautiful reflections are filled with hope and abiding faith in God's presence.

Customer Reviews

Joyce Rupp is a Servite sister, a spiritual guide, and an international speaker and retreat facilitator.

We used the Lent section of this book for a study group. Very good readings and brought up excellent discussion points.

Every book of Joyce Rupp's that I have read (5 so far) have significantly touched my heart. Each one helped lift my thoughts into meditation and build more awareness of the presence of God in my life. Thanks for your inspiration Joyce!

Helpful to my work as a hospice chaplain

Joyce Rupp always inspires. These are very nice little meditations for the Church year.

Unfortunately they are not meditations on EACH day of the church year, which would have been great. Joyce is brief and to the point, challenging but not too challenging. All in all a good read, but I like her other books much better, like STAR IN MY HEART, and CUP OF MY LIFE.

A great way to start the day--- and if you feeling down--it can pick you upÃ Â Â^Â„Ã Â Â^Â‡

Sister Joyce Rupp uses her own spiritual knowledge as well as scripture to guide us through the Church calender of seasons. The messages are very well expressed and easy to understand -- but yet with a wisdom that shows her deep understanding of God's love and compassion.

I ordered a used book. I expected something better than what I received by the review that I read. Something had been spilled on the book I received. Also the book had 50 cents written in several places on it and I paid over \$3.00 for it. So I was not pleased with this purchase at all.

All the writings of this author are a favorite of my best friend and this came at the preise time I needed to make a gift to her. She was most appreciative. It came on time and made a wonderful present
