# The Princess And The Pea (GivingTales)

## Synopsis

"The Princess and the Pea", one of Hans Christian Andersen's most beloved fairy tales, is narrated by Sir Roger Moore, KBE for the GivingTales project. This is a short but fascinating tale which talks about a prince who wanted to marry a real princess. Luck smiled upon him and sent the girl that claimed she is precisely that, right to his front door. She knocked at the door of the castle, all wet from the rain and lost. Queen presented to the princess one test which proved that the girl was a real princess. She has set a single pea, under dozens of mattresses and blankets, to check whether the princess will feel this. "The Princess and the Pea" was released on May 8th, 1835. The original title in Danish: "Prindsessen paa Ærtten".

## Book Information

Audible Audio Edition

Listening Length: 10 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: GivingTales kft

Audible.com Release Date: September 30, 2016

Language: English

ASIN: B01LYOP0DG

Best Sellers Rank: #282 in Books > Audible Audiobooks > Children's Books > Fairytales & Folklore #6151 in Books > Audible Audiobooks > Children's Books > Fiction

## Customer Reviews

It is similar to the story I knew as a child, but doesn't seem as well told, not enough detail. It will not be one of my favorite Hans Christian Andersen books, although the illustrations are nice.

Illustrations are great - very very colorful and cheery. Great for young children because not wordy. It just tells the story so that little ones don't get bored with too many words.

It was a good story but I remember a different version with two princesses. I think people should be able to sample more than just the first line of the book so they can be sure they are getting what they are looking for.

This is a cute story and original, there are other versions of this out there. Makes for a good read

and its a hard cover too.

This is a Glorious, Beautiful Book for my Granddaughter. I know she loved it so. Thankyou . I don't know what I would do without you. Carol Howard

This was just as I remember from my childhood. The illustrations are perfect.

This was a gift, and it was well received.

This book is exactly what I had hoped for. The illustrations are lovely and the book is not too long for a young child.
