Customer Reviews

I trust their judgments, but the reviews are a bit vague with respect to the food. I also worry about the large number of restaurants covered. How can you do a really good job if you have so many to evaluate?

best guide to city restaurants; well organized for regions, styles, price.

Excellent Give insight into dining in NYC by neighborhood and food type

Not exactly what I expected, but okay. Not as complete as I thought it would be.

Excellent gourmet guide.

An old classic

This guide is always educational and interesting to use.
