Customer Reviews

The companionship of this book changed the way I FELT as I read it and pondered the remarkable prayer that it explores. Whenever this happens, I know that exploration of knowledge and inspiration is leading to spiritual perception. I am deeply grateful to this author for these creative little meditations he's creating about such vast and priceless spiritual resources. A very meaningful act of enduring service

Lots of ideas on how we can unravel the secrets contained within one of the most mysterious prayers by Baha'u'llah.

Love it!!
