Sarah Cameron is the author of all 17 editions of Footprint Caribbean Islands, as well as individual

island titles.

Can't wait to go

Big disappointment - nothing in this book you can't read on the internet. I'd done a few hours of internet research on Dominican Republic/Punta Cana area prior to buying book and there was nothing of substance I didn't already know in the book. Most of the book is about Santo Domingo and north coast areas - hardly any info regarding east coast or other areas. The lack of info regarding east coast is pretty surprising, considering the airport at Punta Cana makes it a destination for many.
