# Black's Law Dictionary, Fifth Pocket Edition

## **Synopsis**

Black's Law Dictionary, Pocket Edition is the top-selling paperback law dictionary for good reason. With more than 19,000 definitions from the industry-standard Black's Law Dictionary 10th, it is an essential reference tool for legal terms in a compact format. The terms that matter most, with clear and concise definitions, are included, from the legal dictionary that judges and lawyers cite more than any other. Law students, journalists, lawyers, and anyone interested in knowing the precise meaning of legal terms find this a must-have.

Best Sellers Rank: #7,055 in Books (See Top 100 in Books) #2 in Books > Law > Dictionaries & Terminology #65 in Books > Textbooks > Law

## **Customer Reviews**

I used it twice and neither time did it have the word I was looking for. Considering that cases reference a ton of Latin phrases that are purportedly common, this book has a serious deficiency for all of them. It might be better for when you're past your first year but I haven't found it useful so far.

It came well padded, pages were intact, no marking. there was some yellowing of paper but not really a big deal

Must buy for any lawyer or law student. Can carry around in your bag or briefcase, but not small enough to actually fit in your pocket. There are some nice leather bound books available, but for those of us who want to carry the BLD everywhere, this is the way to go.

Great companion for any one desiring to know the language of the common law verses feudal law

As the law changes you should update your library with this book a must have even if your not in law school

I wanted to learn some of the definitions of the words and phrases that are used in Law. And the only way to learn is to study yourself. It is a great help when one is trying to fill out forms for court and applications and so forth. Words that we may think mean something else to us is different to the people that have studied law.

I use this when I am reading my Torts, Civil Procedure, or Contracts casebooks and need to look something up. It's easy to use.

It's good as a quick reference if you are cool with the tenth edition of blacks law dictionary which this is based on. This is the fourth edition of the pocket dictionary, not based on the main blacks law dictionary, fourth edition. To know the real common law, you need the fourth edition or earlier.
